You will be able pay from your smart phone, or by dialing into our automated system by calling: **1-888-349-5391 (toll free number)**, and you can still pay from any devise with internet services. We will notify customers when the system is ready for use.

You will see a new look to our online payment site. Registration on our new site will require your City of Kaplan Account number. Please make sure to set up a new account to be able to receive email billing in the near future.

We are implementing these updates immediately and if you have any questions or need help paying your City of Kaplan Billing, please do not hesitate to call City Hall
